Scholarship Fund/Registration Addendum 2024-2025

Westminster School for Young Children offers multiple programs where all children are encouraged to progress at their own growth and maturity level while experiencing a wide range of hands-on learning experiences in a nurturing Christian environment with time to WONDER...SHARE...AND LEARN. The WSYC community is one of great generosity, and we appreciate all you do to support our school.

In an effort to continue to build our community, we need your help. The best way to help is to spread the word. Share your positive experiences at WSYC with your friends and help us fill our classrooms. Secondly, if you are able, please consider donating a little extra each month with your tuition payments. If you are willing to contribute by adding a monetary amount to your tuition each month, please fill out the form below.

There are two opportunities for you to donate. First, you can just donate to the general budget to help offset the loss during the pandemic. Secondly, you can donate to the Carol Van Hise, Scholarship Fund with tuition assistance for students to attend WSYC in future years. Our Carol Van Hise Scholarship Fund was established in 1994 with the recognition of her 25th anniversary as Director of Westminster School for Young Children. We thank her for over 50 years of love, nurture, and guidance to the students, and many thanks to the families who have made donations to our Scholarship Fund over the years.

We are grateful for all of you at Westminster School for Young Children.

Sincerely,
The WSYC Advisory Board Finance Committee
